Subject: Tribunals for settlement of Industrial Disputes.

Sir,

I am directed to refer to this Ministry letter No.LR86(1), dated the 26th January 1948 on the subject mentioned above. The replies received from the Provincial Governments showed a large measure of agreement on the Proposals contained therein. The services of the two Tribunals already established as well as of those to be established hereafter, will be available to Provincial Governments for the settlement of major disputes within their spheres. I am to request that where a Provincial Government proposes to ~~x~~ use the services of these Tribunals, prior intimation may be sent to the Central Government in this Ministry so that the Industrial Tribunal concerned may be informed. ~~Simixix~~ Similarly, in the case of minor disputes in the central sphere, for which it is proposed to utilise the Provincial Tribunals, the Central Government will address the Provincial Government concerned in the matter.
